

LARGE FLOOD LIGHTING

CAMPING LAMP

EMERGENCY LIGHTS

Attention

- Products used to dim the light should be prohibited during charging. Charging time is approximately 4-6 hours with the Type-C charger or a computer. Do not leave the battery unattended while charging, when charging is complete, please also move the power supply has discharging function.
- Do not expose the lamp to fire. Do not expose the battery to high temperatures. Follow the recommended usage and storage temperatures. For long term storage, charge the headlamp (repeat every six months).
- For carrying your lamp when not in use, we recommend that you lock it in the off position, don't drop the light and make it in dry place.
- Users please strictly follow requirements of the use operation.
